

# My Visit to the Dentist!

A VERY SPECIAL STORY  
FOR  
A VERY SPECIAL PATIENT

I am going to visit the  
Tooth Fairy Dentist!

My Doctor's  
name is:

Dr. Lela

This is what she  
looks like.

She is also  
a  
Tooth Fairy!

(Her wings don't  
work during the day  
so her glitter shoes  
give her special  
powers to get your  
teeth super sparkly!)

Her office is SO COOL!  
It's in an old gas station!

When I get to the office I will go inside  
and say Hello to the kind people at the  
front desk.

---

These are all the people that work  
with Dr. Lela.

They are so nice!

---

This is NICOLE

She has a puppy  
named Ranger!

This is BETTY

She's a  
shuffleboard pro!

This is PAULINA

She once got chased  
by a dog all the  
way back to her  
house!

This is RACHEL

She likes to floss  
her teeth while  
she walks!

This is ROBERT

He can play four  
different instruments!

This is TAYLOR

She was featured in  
Sports Illustrated  
when she was 11 years  
old!

This is ELIZABETH

She's a certified  
scuba diver!

This is DR MATOS

He is Dr. Lela's  
husband and is a  
Dentist for adults!

# OUR MASCOTS

This is Potter

He's an English Setter  
and is named after  
Harry Potter!

This is Hagrid

He's a Great Dane and  
is a gentle giant!

Next, I will wait for my turn.

I can play  
in the Kid's Room.

There are toys and even a  
movie for me to watch if I  
want.

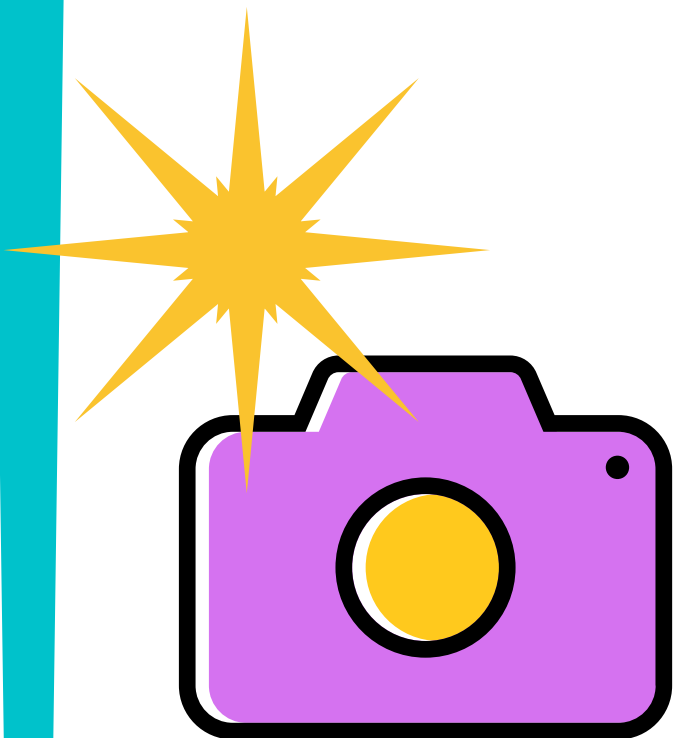

When my name is called, I will walk back  
to where the doctor works.

If I want,  
I can get my picture taken with the  
Tooth Fairy Dentist!

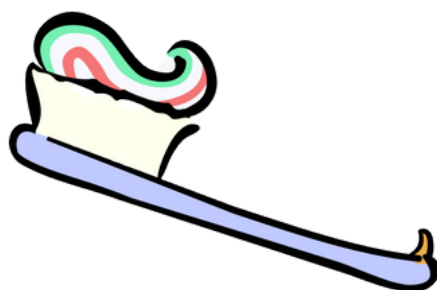

---

They might even take some cool pictures  
of my teeth!

Next, I will pick out a toothbrush, toothpaste, and a tooth vitamin flavor.

They have lots of fun flavors to choose from!

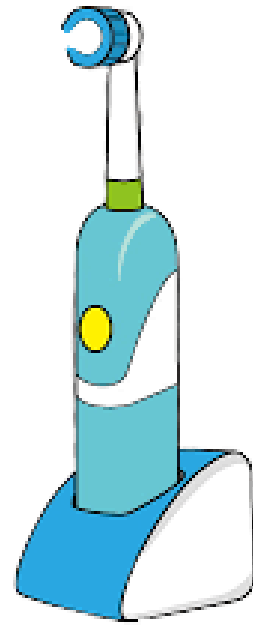

Then I will get my teeth  
cleaned while I lay down on a  
cool surfboard chair!

Once I am laying down, I will  
put on sunglasses and get to  
watch a movie that's playing  
on the ceiling!

They will  
show me  
everything first,  
then they will help  
clean my teeth  
with a buzzy  
toothbrush.

I will also get to  
have some cool  
water and use a  
thirsty straw!

Dr. Lela will come in to say Hello! and use a tiny mirror and tooth tickler to count and tickle my teeth.

The very last step is using a tiny brush to paint vitamins on my teeth to make them strong!

Hooray! That's it! All done.

Now I will get a shiny token  
so I can get my prize for  
being such a great patient!

**YAY**
